Mrs. Vandana Batra, dietician, was the guest speaker. She was assisted by Mrs. Dipali Hatwar. Mrs. Batra gave information about importance of eating healthy food and the harms of eating junk food. Mrs. Batra and Mrs. Hatwar together explained how germs get transferred from one person to another. They also demonstrated the correct method of washing hands especially before meals. The guest speakers along with some students enacted a tug of war between healthy eaters and junk eaters in order to convey the message that eating healthy food will help you win.

Friday Funda: The more that you READ, The more things you will KNOW, The more that you LEARN, The more places you will GO.-Dr. Seuss 'Reading is fun' was the theme for this time's 'Friday Funda' and it was really fun for the pre-primary kids to listen to a story from Shri. Saurabh Bedi. Sir made a simple story so interesting with his taut narration and mind-blowing voice modulation that the young students otherwise known to have a span of attention of not more than ten minutes, listened to it with rapt attention. The young listeners enthusiastically responded to Mr. Bedi's questions. He urged the children to make reading a regular habit.

Eventful PTM on Skill Development: 'Tell me and I forget, Teach me and I remember, Involve me and I learn.' Children of Bhavan's B. P. Bal Mandir had hands-on experience on 27th August, 2022 wherein the school had organised an awareness programme on skill development. Many activities were conducted on

each domain such as Gross motor, Finer muscles, Sensory, cognitive, Socio-emotional and perceptual. Children along with parents enthusiastically participated in each activity and also teachers briefed parents about the role and importance of these domains in the holistic development of the child.

Impact of pandemic on the pre-schoolers: ‘The mind is not a vessel to be filled, but a fire to be kindled.’ Education and learning go hand in hand. When our tiny tots enter school, they are provided with a package of knowledge and other skills which helps them to develop in a systematic way. But, due to the pandemic, children were forced to stay indoors for two years. These tiny brains did not get the exposure. Their cognitive, motor and social skills have been impacted. The school provided brain stimulating and vestibular activities which gave our tiny tots the scope for overall development.

‘No Bag’ day : This year, on Children’s Day, the school observed ‘No Bag’ day for all the children. And now it’s a practice in Bal Mandir. Every month, a day is devoted to ‘only fun’. So, children come to school without bags. They sing, dance, eat, play and have fun.
